

recent instructions

Extensive knowledge of the issues and problems that affect the dental profession has meant that we always have a comprehensive caseload of work.

Examples of work we undertake include:

- Negotiating and preparing expense sharing agreements for incoming Principals
- Preparing new contracts of employment for staff
- Providing guidance on associate's agreements and enforcing binding-out provisions
- Sales of practices to corporate bodies
- Incorporation of practices
- Purchases of NHS practices and advising on GDS contracts
- Advising on self-employed hygienist's contracts

your dental law team

Chris Pomfret heads the team and handles the sales and purchases of dental practices. He also has wide experience in dealing with commercial property transactions, in particular concerning dental premises.

Martyn Whiteman advises on acquisitions and disposals as well as practice arrangements. Martyn is a founder member of the Association of Specialist Providers to Dentists(ASPD).

Mark Waterfield is an experienced commercial lawyer with extensive expertise in advising on acquisitions and disposals generally.

Richard Brown is an experienced employment lawyer drafting and advising on associate and employment contacts.

Oliver Bourne is a trainee Solicitor dealing with sales, purchases and generally assisting in the dental team.

our approach

Our aim is to provide an efficient and responsive legal service meeting the needs of the individual and business in a changing world.

our commitment

We are committed to working with you to achieve what you want. We understand the need to get transactions through quickly, whilst at the same time negotiating the best deal. We have a proven track record in commercial transactions. Our knowledge and experience means we can guide you through the legal issues affecting your dental practice.
