civil

You may find yourself in a situation which demands some form of action to recover losses, or defend a claim against you.

Drawing on their extensive experience and knowledge our civil litigation team can advise you on the best course of action, and work throughout your claim to protect both your legal interests and achieve the best result for you efficiently.

Disputes can often be settled through negotiation or mediation to avoid the need to proceed to Court. If a favourable result cannot be achieved, our team are experienced and well qualified to prepare your case and represent you.

litigation

We provide advice in the following areas of civil litigation:
